EXODUS 13-15

Today in class I learned what the Bible says about...

# Crossing The Red Sea

## Exodus 13-15

- After the pharaoh released the Israelites, he regretted his decision. He pursued the Israelites with all his chariots.
- God led the Israelites to a place where the only way for them to escape from the Egyptians, was to go through the sea.
- And Moses said to the people, “Do not be afraid. Stand still, and see the salvation of the LORD, which He will accomplish for you today.”
- God moved in a cloud between the Israelites and Egyptians, so the Egyptians could not see.
- When God had Moses stretch out His arm over the Red Sea, the sea parted and the Israelites crossed on dry land.
- When the Egyptians tried to pursue the Israelites across the sea, the sea closed in on them and they all died.
- The Israelites then danced and sang to the Lord for His salvation.

## QUESTIONS YOU CAN ASK ME

What does the Bible say:

- Why did the Lord tell Moses and the Israelites to camp by the sea?
- Who led the Israelites out of Egypt?
- Did some of the Israelites not trust God?
- How were the people led in the wilderness? (13:21,22)

What does it mean:

- Who was chasing the Israelites after Pharaoh said they could go?
- How did Moses divide the sea?
- Did Moses tell the Israelites to trust God and watch Him work?
- What miracle did God do?

What does it mean to me:

- When you're in trouble, what is the best thing to do? (Pray)
- Will the way God helps you always be the best way?
- Can God still do miracles today?
- God answered Moses' prayer by making a way through the sea. How has God answered some of your prayers?
- Is anything too difficult for God to do?
- Do you trust God?
